

THE TURF. O'NEILL'S

Relief for the Race-Goers Probably Near at Hand.

TENNY TO RUN AT BUFFALO.

Promise of Patrimony Colt—General Track Gossip.

From East Night's Sporting Extra. It is more than probable that the other association which joined with the Brooklyn Jockey Club in the agreement to keep the city pool-rooms from getting the news will refuse to adopt the stringent and unnecessary measure taken by President Dwyer. While the Brooklyn people have succeeded to some extent in keeping news from reaching the pool-rooms promptly, the task at the other tracks would be very nearly an impossibility. Their grounds are too spacious. It would cost a small fortune to hire enough men to thoroughly guard the immense grounds at Morris Park. The officials at the latter place probably have more reason for the convenience of their visitors, and every racegoer will be thankful when the present uncomfortable state of affairs is over.

The writer is in receipt of positive information that Tenny, the winner of the Brooklyn Handicap, will be sent to Buffalo during the meeting at that place. He will make an effort to break the mile record on a circular track. Mr. Fulford's comment was secured yesterday.

The Buffalo meeting, by the way, will begin on Memorial Day, and from the very high class horses are being forwarded to the track, the meeting this year is to be a great success. One will wish the Eggman anything but good luck in their new enterprise.

Champion yesterday carried 115 pounds and ran a mile and an eighth in 1:46. With 100 pounds he was sent to Buffalo during the meeting at that place. He will make an effort to break the mile record on a circular track. Mr. Fulford's comment was secured yesterday.

A morning paper prints the following: "An agreement was yesterday made between the Brooklyn Jockey Club and the New York Jockey Club on the one part, and the Western Union Telegraph Company on the other part, by which the Western Union will be permitted to have offices at the tracks on their own property, but will not serve the city pool-rooms with any news."

St. Florian won the Great American Stakes in his last race yesterday, and the performance was a good one. Mr. Morris purchased a filly at the Belmont sale. Yesterday, the second, was also one of Mr. Belmont's stables.

Chabram did not show well. It is true that he was interfered with twice, but it is doubtful whether he could have won anyhow. His performance, with those of Tournament and Gossamer, shows that the race was a close one. Chabram was a good horse, but he was not in the best of his powers.

Johnny Campbell sprang another trick on the ring yesterday with Snowball in the last race. His wife made a chitney out of the horse. Snowball was purchased at the recent St. Louis sale. He was a good horse, and he was a good horse.

Don't make any mistake about the Patrimony colt. He will make the best two-year-old yet seen in the city. His burst of speed in the stretch yesterday was astonishing.

Those who read what was said in this column the other day regarding Lester's word race were a little surprised. Lester's word race was a good one. He was a good horse, and he was a good horse.

Blacklock delayed the start in the last race yesterday more than forty minutes. He was a good horse, and he was a good horse.

Mary Bergen had a narrow escape in the last race yesterday. He was a good horse, and he was a good horse.

PRIZE-FIGHTERS INDICTED.

Three of the Four Men Involved Have Pled from Union County.

The Union County Grand Jury has found indictments against Daniel Lyster and Jack Quinn, the two young men who indulged in a Sunday prize-fight some weeks ago at Denner's Grove. Joseph Tilton and John Boyle, who are charged with acting as seconds, were also indicted.

Boyle was arraigned yesterday and pleaded not guilty, and gave bail for his appearance for trial on June 5. City Attorney Connolly is his counsel.

The others cannot be found. They left the city to escape prosecution.
